

REMARKS/ARGUMENTS

In the specification, the paragraphs [2] to [4], [6], [8] to [10], [12] to [34], [37], [38], [40], [42], [49] have been amended to correct wording problems; paragraphs [35] and [36] have been removed because the their related drawings are redundant and are removed.

All previous figures have been either reassigned a figure number except previous Figure 1 and Figure 2; Current Figure 12, 13, 14 and 15 are new drawings to show the second windshield heating air appliance design; Previous Figure 3, 4, 11, 13, 14, and 18 are deleted. Since my permanent address and phone number have been changed, all drawings have to be updated because of this change.

In this application, a new independent claim is added and assigned as the current claim 1; the previous claims 1, 2 and 3 are amended and reassigned as current claim 2, 3, 4; the previous claim 4, and 5 are reassigned as current claim 5, and 6.

Respectfully submitted,
